ZJU Brain Dataset License Agreement

By signing this document, the user who will make use of the ZJU Brain Dataset (**ZBra**) agrees to the following terms.

1 Commercial use

The user may only use the dataset for academic research. The user may not use the database for any commercial purposes. Commercial purposes include, but are not limited to:

- training or proving the efficiency of commercial systems,
- selling data from the dataset,
- creating military applications

2 Distribution

The user may not distribute the dataset or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations.

3 Access

The user may only use the dataset after this license agreement has been filled out, signed, and uploaded to the official website. A link to access the dataset will be issued after a review of the application. The user may not grant anyone access to the database by giving out their link.

4 Changes

The ZBra administrators (researchers in Zhejiang University and State Key Laboratory of Brain-machine Intelligence) reserve the right to change this license agreement at any time.

5 Warranty

The dataset comes without any warranty, the ZBra administrators cannot be held accountable for any damage (physical, financial, or otherwise) caused by the use of the dataset.
